12. Commissioner Comments

R. Painter was very pleased with the report of testimony before the U.S Senate Committee on Science, Commerce, and Transportation Subcommittee on Communications, Technology, Innovation, and the Internet regarding “The State of the Television and Video Marketplace”.

J. Belanger reported that an ONTV show, Community Corner, received the 2019 Jim Neubacher Media Award presented by the Community Mental Health Association of Michigan, although ONTV was not mentioned. This was a state-wide recognition. D. Hobbs reported that the audio and video on the government channel don’t match up. R. Painter doesn’t think that we will lose ONTV anytime soon, even with everything going on.
